

## CATERING SYSTEM CASES

This 'Business-in a-Box' concept provides a one-stop shop for companies requiring a professional catering system, all housed in a rugged road case. Choose from a selection of catering set-ups, with each case housing a different appliance, including a Slush Maker, Popcorn, Hot-Dog, Candy Floss, Coffee Machine and more.

All the cases are manufactured to a modular design, with matching dimensions. This makes for easy loading in vans, trailers and trucks. Options for Menu/Graphics panels and protective padded covers are also available.
