

Flight Case Hire

Even the most professionally run company knows that the inevitable happens. You've specified a project and as it's ready to be loaded, you find a shortfall of cases to pack the last few items of equipment. It's too late to have anything built and the budget doesn't really warrant purchasing new cases. Well, that's where 5 Star's Flight Case Hire comes in.

Whether it's a general-purpose road trunk, 19" rack or a drawered production case, our Hire stock is the ideal choice for a short-term solution. Our Hire Stock includes a selection of popular cases including two sizes of Eurotrucker road trunks, three sizes of 19" Racks, a Server Rack and two versions of Drawered Production Racks.

As every hire will be different, pricing is based on the quantity of cases needed, duration of hire and the location for delivery. For details on pricing & availability, contact our sales team on 01945 427000 or by email at sales@5star-cases.com, who will tailor a quote specifically to your Flight Case needs.
