

*Hand-crafted in Great Britain since 1938*

*Mossman Trunks have been hand-built in Great Britain since around 1938. By using the same methods of construction over the past eighty years, Mossman remain the No. 1 choice for vintage luggage and traditional style storage trunks.*

*With the ever increasing demand for 'Shabby Chic', Mossman has not only maintained its presence within UK boarding schools & the high streets, but is now becoming a must have for any home!*
